Project Size
105,000 SF

Use Type
Office - New Construction

Owner
H&G

Architect
Yamasaki Associates
400 South Old Woodward
Birmingham, MI 48009

Built to meet LEED certification standards, this 105,000 SF, five story, Class A office is the third Class A office building to join the Trade Centre Development in Portage. 650 Trade Center features a modern brick and glass façade that compliments the aesthetic set by the previous buildings, first-class common areas, a fitness center, and peaceful views of the natural wetlands.
